Provide a detailed listing of all changes to the mining and reclamation plan which will be required as a result of this proposed permit application. Individually list all maps and drawings which are to be added, replaced, or removed from the plan. Include changes of the table of contents, section of the plan, pages, or other information as needed to specifically locate, identify and revise the existing mining and reclamation plan. **Include page, section and drawing numbers as part of the description.**

[illegible]

Any other specific or special instructions required for insertion of this proposal into the Mining and Reclamation Plan?

The above mentioned plan will remain as a separate reclamation plan and supercede any references to the reclamation plan in Volume 2, Part 4 of the Deer Creek MRP. Upon approval, the Deer Creek MRP will be completely reorganized to the format of the R645 regulations.
